Professional Experiences

UI/UX Design Intern & Web Design Assistant

March 2026 – Present

Vatee Pty Ltd – Digital Marketing & Web Operations, Canberra

A digital services and financial technology company supporting multilingual users through user-focused web design, digital content management, and online platform development.

- Supported UX/UI design and website optimisation using **WordPress and Elementor**, contributing to responsive and user-friendly web interfaces.
- Assisted with webpage layout design, content updates, and mobile responsiveness to improve user experience across multilingual company websites.
- Used tools including **Figma, Canva, and WordPress visual editors** to support wireframing, interface adjustments, and digital content presentation.
- Collaborated with team members and stakeholders to publish website updates, maintain brand consistency, and support ongoing digital improvements.
- Supported bilingual website management and social media content publishing across LinkedIn, Instagram, and X (Twitter).
- Applied basic HTML/CSS and WordPress customisation to improve website usability, accessibility, and visual presentation.

Customer Service Coordinator

Nov 2025 – Present

Unilodg Australia – Administrative, Canberra

A leading student accommodation provider supporting residents from diverse cultural and linguistic backgrounds through high-quality residential services and administrative support.

- Delivered frontline customer service and administrative support to residents and prospective students through phone, email, and face-to-face enquiries.
- Assisted residents with accommodation-related enquiries, check-in processes, maintenance requests, payment enquiries, and general administrative support in a professional and timely manner.
- Maintained accurate resident and financial records, including processing invoices, tracking rental payments, and supporting accounts receivable and payable functions.
- Built positive and respectful relationships with residents, colleagues, contractors, and external stakeholders to support a safe, welcoming, and inclusive residential environment.

- Supported day-to-day residential operations by coordinating maintenance requests, communicating updates to residents, and assisting with occupancy-related administrative tasks.
- Demonstrated strong organisational and time management skills by managing competing priorities in a fast-paced accommodation environment while maintaining attention to detail and service quality.

Education

University of Canberra

July 2023 – July 2025
